

Oversight Committees

Purpose

The purpose of the BHGI Steering Committee is to establish strategic direction, facilitate goal setting, and guide the development and focus of the Breast Health Global Initiative. To provide input regarding:

- The biennial BHGI *Global Summit on International Breast Health* and BHGI scientific pilot research and demonstration projects
- Development and support of collaborative relationships with other breast health organizations and governmental agencies as related to the improvement of breast health care in low- and middle-income countries

BHGI Executive Committee

The purpose of the Executive Committee is to establish the strategic goals of the BHGI.
